

Protect your eyes and help decrease your exposure to infectious diseases with **Danterr** supplied medical-grade **Protective Face Goggles**.

**Protective Face Goggles** shield your eyes from aerosolised droplet spread while their transparent anti-fog lenses allow you to keep going with your task unhindered. A fully adjustable head strap maintains a firm fit and superior user comfort.

All goggles are CE certified, FDA approved.

**All goggles are individually packed and available single or as a carton of 150.**

Change of mind refunds will not be available.
